### Student Association Election 學生會競選

This year's Student Association election has been successfully completed with two candidates' cabinets: **"Genesis"** and **"Courage"**. In the first month of the school year, both candidates actively promoted their campaigns which included publishing and promoting manifestos by display boards, posters, and making announcements during morning assemblies. Ultimately, the new Student Association chairlady was elected by the entire student.

本年度學生會競選已順利完成，兩支候選內閣分別是Genesis及Courage。開學首月，兩位候選人均落力宣傳，當中包括派發政綱、展板宣傳、張貼海報及早會宣傳等。最終由全校同學以一人一票方式選出新學年的學生會主席。

# Sustainable Leadership Challenge Camp

## "Secrets of dye" Themed Workshop

### 「青出於藍」藍染主題工作坊

This activity enables students to learn about the concept of "qīng chū yú lán" (青出於藍) through thematic learning in Chinese, connecting it to chemistry knowledge, including the chemical components of dyes and the oxidation process. Furthermore, it starts from visual arts creation, helping students understand the relationship between the creation of blue dye and their artistic work.

是次活動讓學生以主題式學習如何從中文科學到「青出於藍」的概念，並連繫化學知識，包括染料的化學成份及氧化過程等，再從視藝創作出發，從而認識與藍染創作之間的關係。

# The Inauguration Ceremony of the Student Leaders 學生領袖就職典禮

Prefects, big sisters, members of the student association, and the committees of four houses gathered together, receiving their badges from the principal as a formal appointment. The student leaders put on their badges and, in front of the principal, teachers, and classmates, took an oath to lead by example, become role models for their peers, and actively fulfill their duties with integrity, dedication, and respect in service of their fellow students.

風紀、大姐姐、學生會成員及社委齊聚一堂，並獲校長頒授徽章作正式委任各學生領袖繫上徽章，於校長、老師及同學前宣誓及承諾以身作則，以正直、奉獻和尊重的態度為同學服務，成為同學的榜樣。
